WHO WE ARE

Alabama Women in Business (AWIB) provides women entrepreneurs with opportunities to interact and develop strategic alliances. We encourage, support and educate women who own and operate businesses both in start-ups and established businesses. In addition, we strive to assist our members in their business journey through leadership and mentoring opportunities.

AWIB is a 501(c)(6) organization who welcomes participation by all business owners regardless of race, religion, age, sexual orientation, national origin or disability.

WHAT WE DO

If you are a women business owner, you will find AWIB to be a supportive community, focused on helping women achieve their entrepreneurial goals.

Let's Get Connected events provide networking opportunities for members. These are usually ticketed events and are held at various locations in the Birmingham area.

Monthly Luncheons are held on the 4th Tuesday of each month (except December). Typical luncheons include a guest speaker on a host of personal and business topics relevant to our members. Members are encouraged to invite guests and, after attending three meetings, guests are invited to apply for membership.

Social events are held throughout the year and provide a great way to build relationships and affinity between our members. Examples include a holiday party, family lake day and more!

For a list of upcoming events, visit our website at www.alwib.org.
